Regional Logistics

The cooperative runs two depots, one at Farrow Junction and one at Corran Basin. Each depot reports its monthly shipments to the central office. The table below records the full year, with one row per depot and month.

Table 2: Monthly shipments by depot

Month	Depot	Pallets	Trucks	On time
January	Farrow Junction	310	22	91%
January	Corran Basin	340	24	94%
February	Farrow Junction	347	24	98%
February	Corran Basin	393	28	93%
March	Farrow Junction	384	27	97%
March	Corran Basin	446	31	92%
April	Farrow Junction	331	23	96%
April	Corran Basin	389	27	91%
May	Farrow Junction	368	26	95%
May	Corran Basin	442	31	98%
June	Farrow Junction	315	22	94%
June	Corran Basin	385	27	97%
July	Farrow Junction	352	25	93%
July	Corran Basin	438	31	96%

Month	Depot	Pallets	Trucks	On time
August	Farrow Junction	389	27	92%
August	Corran Basin	381	27	95%
September	Farrow Junction	336	24	91%
September	Corran Basin	434	31	94%
October	Farrow Junction	373	26	98%
October	Corran Basin	377	26	93%
November	Farrow Junction	320	22	97%
November	Corran Basin	430	30	92%
December	Farrow Junction	357	25	96%
December	Corran Basin	373	26	91%

Both depots kept their on-time rate above ninety per cent. The central office will use these figures to plan the next fleet purchase. A third depot is under study for the northern district.
