Schedule of Port Dues and Charges 2027

Effective from 1 January 2027 to 31 December 2027

This Schedule sets out the dues and charges payable to the Port Elmsby Harbour Board for vessels, goods and services within the harbour limits. It replaces the Schedule of 2026 in its entirety and applies to every call that begins on or after 1 January 2027. All amounts are stated in pounds sterling and exclude value added tax.

1. Application

1.1 Dues are payable by the owner, master or agent of a vessel, each of whom is jointly and severally liable for the full amount.

1.2 Gross tonnage (GT) is taken from the vessel's International Tonnage Certificate; where no certificate is produced, the Board will assess the tonnage itself.

1.3 A call begins when the vessel passes the harbour limits inward and ends when it passes them outward.

1.4 A vessel remaining in port for more than 14 days pays a further 50 per cent of the applicable due for each additional period of 14 days or part of it.

2. Vessel Dues

Vessel dues are charged once per call on the vessel's gross tonnage, at the rate for its trade and type shown in Table 1. Where the rate per GT produces a sum below the minimum, the minimum charge applies.

The Board may detain a vessel until all dues relating to it have been paid or secured. Nothing in this Schedule limits any other remedy available to the Board.
