Lemon and Thyme Roast Chicken

This is a Sunday supper that cooks itself while you do something else. The lemon keeps the meat moist and the thyme perfumes the kitchen.

Serves	Preparation	Cooking
4 people	20 minutes	1 hour 15 minutes

Ingredients

Quantity	Item
For the chicken	
1	free-range chicken, about 1.6 kg
2	lemons, one sliced and one juiced
6 sprigs	fresh thyme
4 cloves	garlic, left whole
40 g	butter, softened
For the vegetables	
600 g	small potatoes, halved
3	carrots, cut into chunks
2	red onions, in wedges

Method

1. Heat the oven to 200 degrees and let the chicken stand at room temperature for thirty minutes.
2. Rub the butter over the skin and season generously with salt and pepper.
3. Put the lemon slices, garlic and half of the thyme inside the cavity.
4. Toss the vegetables in olive oil and spread them around the bird in a deep tray.
5. Roast for 75 minutes, then rest the chicken for ten minutes before carving.

Cook's notes

- Pour the lemon juice over the vegetables ten minutes before the end.
- A little white wine in the tray makes a quick gravy.
