Summary of Residential Tenancy Terms

This summary sets out the main terms of the tenancy agreement signed on 12 November 2026. It does not replace the agreement itself, and if the two differ the agreement applies.

1. Parties and property

Landlord	Alder Court Holdings Limited
Tenant	Tomas Lindqvist
Property	Flat 6, 27 Alder Court, Millbrook, MB3 9QT
Term	12 months, 1 December 2026 to 30 November 2027
Rent	1,150.00 per calendar month, payable in advance
Deposit	1,326.00, held in a government-approved scheme

2. Payments due

Item	Amount	Due	Method
Holding fee	230.00	On signing	Card
Tenancy deposit	1,326.00	Before move-in	Bank transfer
First month's rent	920.00	1 December 2026	Standing order
Monthly rent	1,150.00	1st of each month	Standing order
Total due before move-in	**2,476.00**		

The holding fee of 230.00 is credited against the first month's rent, so the first payment is 920.00.

3. What the tenant agrees to do

(a) pay the rent on time and keep the standing order active;

(b) look after the property and report any damage promptly, in particular:

  (i) leaks, damp or any sign of water ingress;

  (ii) faults with the heating or the hot water;

  (iii) broken locks, windows or door entry equipment;

(c) allow access for repairs on at least 24 hours' written notice;

(d) not sublet any part of the property without the landlord's written consent.

4. What the landlord agrees to do

- keep the structure, the exterior and the installations for water, gas and electricity in repair;
- protect the deposit in an approved scheme within 30 days of receiving it;
- give the tenant a copy of the gas safety certificate and the energy performance certificate;
- respond to reports of urgent repairs within 48 hours.

5. Ending the tenancy

Either party may end the tenancy after the first six months by giving two months' written notice. The tenant must return all keys on the last day and leave the property clean and clear of belongings. The deposit is returned within ten days of the end of the tenancy, less any agreed deductions.
