1.2	Condition report for existing steel frame and base plates	1	lump sum	950.00	950.00
Phase 2 — Design					
2.1	Structural calculations, mezzanine floor	18	hour	85.00	1,530.00
2.2	General arrangement drawings	6	sheet	120.00	720.00
2.3	Building control liaison	4	hour	85.00	340.00
				Subtotal	4,820.00
				VAT at 20%	964.00
				Total due	**5,784.00**

Payment

Payment is due within 30 days of the invoice date. Please quote the invoice number on every remittance so that we can allocate it promptly. Interest may be charged on balances that remain unpaid after the due date.

Notes

- Rates are those agreed in our fee proposal of 3 March 2026.
- Drawings were issued as PDF and DWG files on 29 September 2026.
- Phase 3 (site inspections during construction) will be invoiced separately.
