Safety Data Sheet - Solvent Wash 40

This sheet follows the 16-section format required for chemical products supplied to professional users. Read it fully before handling the product.

1. Identification

Product name	Solvent Wash 40
Product code	CCS-4040-05
Recommended use	Cleaning of metal parts before coating
Supplier	Carrick Chemical Supplies Ltd

2. Hazard identification

- [x] Flammable liquid, category 2
- [x] Serious eye irritation, category 2
- [x] Specific target organ toxicity, single exposure, category 3
- [ ] Corrosive to metals
- [ ] Acute toxicity, oral

```
H225  Highly flammable liquid and vapour.
H319  Causes serious eye irritation.
H336  May cause drowsiness or dizziness.
```

3. Composition

Chemical name	CAS number	Content (% by weight)
Acetone	67-64-1	60 to 70
Ethyl acetate	141-78-6	20 to 30
Isopropanol	67-63-0	5 to 10

4. First-aid measures

- Eye contact: rinse with plenty of water for at least 15 minutes and seek medical advice.
- Skin contact: remove contaminated clothing and wash the skin with soap and water.
- Inhalation: move the person into fresh air and keep them at rest.
- Ingestion: rinse the mouth and do not induce vomiting.

5. Fire-fighting measures

Vapours are heavier than air and may travel to a source of ignition and flash back. Cool closed containers exposed to fire with water spray.

Suitable extinguishing media

1) Alcohol-resistant foam.
2) Carbon dioxide or dry powder for small fires.
3) Water spray for cooling containers only.

9. Physical and chemical properties

Property	Value	Method
Appearance	Clear colourless liquid	visual
Flash point	-17 °C	closed cup
Boiling range	56 to 77 °C	distillation
Vapour pressure	24 kPa at 20 °C	calculated
Density	0.80 g/cm3	oscillating tube

14. Transport information

Road (ADR)	Value
UN number	1993
Class	3
Packing group	II

Sea (IMDG)	Value
UN number	1993
Class	3
Packing group	II

16. Other information

This revision replaces all earlier versions of the sheet. The information relates only to the product named above and not to its use with other materials.
